<p>Ways in which you can help at home:</p>	<ul style="list-style-type: none"> ▪ Please talk to your child about the different plants and flowers you have at home and in your garden. We will be sending home a sunflower for you to nurture and grow at home. We would love to see photos of the sunflower growing. ▪ Please talk to your child about healthy eating and maybe even prepare food/meals together. ▪ If you have any flowers in the house which you are getting rid of, rather than throwing them out, please could you send them into school as we can use them in our activities. ▪ We will continue to send home reading books and flash cards. Please can you read at home with your child and return their book on their allocated reading day. ▪ PE day is every Monday – Please could children wear their gym kit to school on this day, we recommend long trousers or leggings, t-shirt, jumper and trainers. ALL long hair must be tied back, and ALL jewellery removed including stud earrings.
<p>Ways you can help us?</p>	<ul style="list-style-type: none"> ▪ Please could you label all your child's belongings including jumpers, lunchboxes and water bottles. ▪ Please make sure your child brings a coat/jacket to school every day. ▪ In the event of hot weather, please can your child bring a hat to school and have suncream applied before school. ▪ If anything happens in school and we feel that you need to be informed about this, we will speak to you directly. If there is anything you need to raise with us, please do so either in person or through Class Dojo messages. ▪ Please could we have three pieces of fruit, per child, on a Monday to help with snack time throughout the week.
