

*"Working Together, Learning Forever"*

Dear Parent/Carer,

Please find below details of the work that your child's class will be doing during this term. I have also suggested ways in which you can help your child at home. Included with this information you will also find an overview of how we deal with behavioural issues in school.

Thank you for your support,

Mrs Meredith-Williams, Mrs Evans and Miss Scrine

Class: Year 1

Term: Summer

Theme: Teeny, Tiny Things

Main areas of study:	<p>Our topic will have geography and science focus this term. We will be finding out about teeny, tiny things and their habitats. The children have chosen to explore gardens, woodland and beach habitats to find out what minibests live there. We will be looking at the lifecycle of minibests and what makes them special. We will also be using Google Earth to explore our local area as well as using and creating maps.</p> <p>Much of this learning will need to take place outdoors therefore your child will need wellies/outdoor shoes and waterproof or rain resistant clothing. These can be kept in school if you wish or sent into school daily. Please ensure all items including the bag are labelled clearly with your child's name.</p>

<p>Ways in which you can help at home:</p>	<ul style="list-style-type: none"> <li>▪ Please listen to your child reading at home every night (a Reading Diary is provided for you to make comments).</li> <li>▪ Later on in the term we will be sending home a selection of high frequency words for your child per week. These will be written in their reading diary for you to work on with them at home. These are personalised for each individual child. Please check your child's words only. New words will be sent home each week.</li> <li>▪ Visit the local library to choose books relevant to topics being studied at school e.g. looking at minibeasts and different habitats.</li> <li>▪ Encourage your child to take part in daily exercise. This could include walking to and from school, playing in the park, sports and playing team games in the garden.</li> <li>▪ PE day is every Wednesday – Please wear gym kit to school on this day we recommend long trousers or leggings, t-shirt, jumper and trainers. P.E will take place outdoors, weather permitting, so please can you ensure appropriate clothing is worn. ALL long hair must be tied back and ALL jewellery removed including stud earrings.</li> </ul>
<p>Ways you can help us?</p>	<ul style="list-style-type: none"> <li>▪ Label all snacks, drinks bottles, clothing EVERYTHING!</li> <li>▪ Please help your child to organise their things before entering the classroom e.g. snack, water bottle, lunch boxes and reading books on their day.</li> <li>▪ Ensure that you remain stood behind the yellow line outside the classroom.</li> <li>▪ If you would like your child to drink squash, they are only allowed to drink this at lunchtime therefore, you must send in an additional water bottle. This will be kept in class and they can drink it throughout the day.</li> <li>▪ Please make sure your child brings a coat/jacket to school every day irrespective of the weather.</li> <li>▪ If anything happens in school and we feel that you need to be informed about this we will speak to you directly. If there is anything you need to</li> </ul>
