

*"Working Together, Learning Forever"*

10<sup>th</sup> September 2025

Dear Parents/carers,

### **Call for Parent Governors**

We are currently seeking enthusiastic and committed parents to join our school governing body as **Parent Governors**. This is a fantastic opportunity to play an active role in shaping the future of our school and ensuring that the voices of families are heard in key decisions.

### **What is a Parent Governor?**

A Parent Governor is a member of the school's governing body who represents the views and interests of all parents. As a Parent Governor, you will work alongside staff and community members to support and challenge the school leadership in delivering the best possible education for our children.

### **What does the role involve?**

- **Representing Parents:** Bringing the views, concerns, and ideas of parents to the governing body.
- **Strategic Decision-Making:** Helping to set the school's vision, policies, and priorities.
- **Accountability:** Monitoring school performance, financial management, and ensuring high standards of education and welfare.
- **Supporting the School:** Working with staff to support school improvement initiatives and promote a positive learning environment.
- **Attending Meetings:** Participating in governing body meetings (usually held twice a term) and occasional training sessions.

No special qualifications are required—just a genuine interest in the wellbeing and success of our children and the school. Your unique perspective as a parent is invaluable. If you are interested in becoming a Parent Governor or would like more information, please feel free to contact me at the school.

Kind regards,
